

Stetoclips

BE9403

Features

High amplification

Up to 145 dB sound level

User friendly

Easy to put on and take off

Lightweight

Weigh only 40 g (1.4 oz)

For extreme sound amplification.

The stetoclips are specially selected for the Bellman & Symfon range of digital speech amplifiers and listening systems. Designed especially for hard of hearing people, they are capable of producing a sound level in mono of up to 145dB.

The stetoclips are lightweight, comfortable to wear and very easy to put on and take off.

Technical specifications
